

Is your insurance providing you with the right protection?

When transporting a horse, it is vital that you and your business are protected should an incident (or injury) occur. Cover for care, custody and control allows you to have peace of mind that you are protected should you be held liable for injury to a horse and find yourself defending a claim.

Provided by Adler Fairways and underwritten by David Ashby Underwriting Ltd, a specialist underwriter with a wealth of experience and expertise in the equine industry, this niche insurance is essential in safeguarding the future of your business.

Adler Fairways is a well-established and trusted independent Chartered Insurance Broker providing expert insurance and risk management advice, employee benefits, and health and wellbeing services to commercial and private clients throughout the UK. We have been protecting businesses, individuals, and families for over 40 years, and are driven by an ambition to improve the industry, deliver better outcomes for clients and dedicated to providing the best advice, service and insurance solutions bespoke to the unique needs of our customers.
